

## Dear Family,

Welcome to my classroom! I am looking forward to an amazing school year and getting know you and your student. I have so much instore for creative learning opportunities. I have a lot activities planned for this semester that I would love you to be a part of this school year.

- ☺ Volunteer: When it comes to volunteering I like to say "The more the merrier!". Please feel free to volunteer during class parties, academic lessons, ceremonies, field day, school events, and tutoring. If you are unable to come in to volunteer, you can always work from home. There is an abundance of activities I can send home (cutting out materials, stapling, sorting, etc.) with your student to give to you. I will greatly appreciate your services and the students also get happy when parents come in to help out.
- ☺ Take-Home Folder: Every day your student will come home with an orange folder. Inside that folder will be important papers, classwork, class announcements, etc. Please make sure to **ALWAYS** read the materials in the take-home folder. There is also a section for comments from me and place for you to respond or make a comment/question. Any messages you send with your student to school will receive a reply within at least two days.

Feel free to call, email, or contact me whenever!
